

# ADMISSIONS REQUIREMENTS

We have a rolling admissions process, which means we review applications and enroll students year round. We also give you the opportunity to begin medical school twice a year, in January or July.

Each applicant must have the equivalent of 90 undergraduate semester credit hours at any U.S. or Canadian college or university prior to matriculation in medical school. The Medical College Admissions Test (MCAT) must have been taken within the last three years. A baccalaureate degree is not required but strongly recommended. The applicant must have completed the following courses:
