

ADMISSIONS REQUIREMENTS

We have a rolling admissions process, which means we review applications and enroll students year round. We also give you the opportunity to begin medical school twice a year, in January or July.

Each applicant must have the equivalent of 90 undergraduate semester credit hours at any U.S. or Canadian college or university prior to matriculation in medical school. A baccalaureate degree is not required but strongly recommended. The applicant must have completed the following courses:

FOR U.S. CANADA AND PUERTO RICO

- One year of Biology
- One year of Physics
- One year of Organic Chemistry
- One year of General or Inorganic Chemistry
- One year of English
- One year of Mathematics

***Puerto Rico applicants:** If applying with 90 semester credit hours you are subject to comply with the JLDMPR requirements.
