

# ADMISSIONS REQUIREMENTS

We have a rolling admissions process, which means we review applications and enroll students year round. We also give you the opportunity to begin medical school twice a year, in January or July. The application has a non-refundable fee of \$75.00 USD.

## Degree

A baccalaureate degree is strongly recommended but is not required, therefore applicants to UAG Medical School must have the equivalent of 90 semester credit hours to be considered for admissions.

## Coursework

All applicants must meet all the requirements necessary for entrance into a U.S. Medical School. All pre-medical courses must have been completed at an accredited US or Canadian university/college.

- One year of Biology with Lab
- One year of Physics with Lab
- One year of Organic Chemistry with Lab
- One year of General or Inorganic Chemistry with Lab
- One year of English
- One year of Mathematics (Calculus, Computer Science, or Statistics)

**\*Puerto Rico applicants:** Those applying with 90 credit hours are subject to comply with the JLDMPR requirements.

## Medical College Admission Test (MCAT)

All applicants (US and Canadian) must submit an MCAT score as part of their application.

## Documentation

The following documentation is needed to comply with the U.S. educational system and needed to verify the student's eligibility to register with the Mexican Department of Education.

- Copy of birth certificate
- Official college transcript(s) (from every institution attended)
- Official MCAT score(s) Exam must have been taken within the last three years
- 2 to 3 page typewritten personal statement
- 1 passport size photo
